

Alameda County Healthy Homes Department

A Partner with the National Healthy Homes Training Center and Network

invites you to

Integrated Pest Management in Multifamily Housing

Tuesday, September 29, 2015

8:30 am – 4:30 pm

**Alameda Point Collaborative Service Center
677 West Ranger Ave in Alameda**

Learn to:

- Understand the links between pests and human health
- Use safer and more cost-effective methods for reducing pest infestations
- Build collaborations with tenants, property managers & pest control operators
- Implement a comprehensive integrated pest management (IPM) program

This is an excellent training opportunity for **property owners, property managers, code enforcement professionals, pest control professionals, support services staff** as well as **maintenance staff & resident leaders**.

Continuing Education Units are available for many occupations.

Contact: titus@healthyhousingsolutions.com about CEU requirements.

All other questions can be directed to HealthyHomesTraining@acgov.org.

Register TODAY for \$75.

Fee includes one-day training, class materials & practice housing inspections.

Beginning September 9th, the training fee is \$95.
